Dear Parents,

Prince of Peace PreSchool is excited that we are a licensed ***Music Together*** PreSchool! We offer weekly ***Music Together*** music and movement classes that include a research based flow of songs, nursery rhymes, instrumental jam sessions, finger plays and movement activities. These sessions can be modified and enhanced in the classroom, incorporating the fun themes that are part of the base of our curriculum.

The music classes are taught by Helene Welsing and are offered once a week for 30 minutes. Helene attended the extensive Music Together teacher training at the Center for Music and Young Children in New York City and Princeton, NJ. She will continue to participate in additional trainings as new collections are offered.

Participation for each family will require a service fee for the year. The service fee goes directly to Music Together. Each family will receive two CD's and an illustrated family songbook that will initially be used in school and then sent home, giving families an opportunity to learn the songs together. We will also conduct two family events per collection (a total of 4 family events for the year) where families are invited to join in the fun!

This is a wonderful, meaningful and developmentally appropriate program that is based on over 20 years of research. If you would like to learn more about Music Together, please speak with Helene or visit the Music Together website at www.musictogether.com.

Sincerely,

JoAnn Kitlas
